

Dear Business Owner:

The Huntingtown High School Hurricanes Marching Band is now entering its third season. We are looking forward to another exciting year with a very dedicated group of student musicians and performers. Our marching band has been competing in Tournament of Bands competitions throughout the Mid-Atlantic region. The band has been very successful and won many awards. Last year the band was invited to participate in the Atlantic Coast Competition in Scranton, Pennsylvania. Only the top marching bands in the region are invited to participate.

The HHS band must take a large number of instruments and props to each competition. The Band Boosters has purchased a trailer to transport all of the equipment.

The Huntingtown High School Marching Band must continue to raise funds to pay for such things as drills, music, instruments and transportation costs. Please consider supporting the band's efforts by purchasing an ad on our trailer. Ads cost \$500 for space on both sides of the trailer or \$750 for a quarter of the back of the trailer. Your advertisement will appear on our trailer for three complete academic years. At the end of three years, we will give our current advertisers the option to renew their advertising before we approach any other businesses.

If you have any questions or would like to purchase advertising space, please call or e-mail Bill Scharpf at 410-535-5053 or at 3-scharpfs@comcast.net.

We hope you will become a part of HHS Marching Band's success and travel to and from our tournaments with us as an advertiser. Thank you for your consideration.

Sincerely,

Lori Whitford
